## **2018 AGM Report**

Thank you to everyone who came along to the AGM last night, your input was valuable and appreciated in giving the Committee direction and feedback. The items raised were very useful and I am pleased they were positive and productive discussions that followed. We have some updates to be issued shortly, so do watch this space.

Well done again to those who were successful in the points scheme - and a reminder to all members to start keeping score for 2018 as the show season is about to begin!

I have been a Committee member for 4 years, having been a member and supporter of the group for 19 years, and it's an honour to be voted Chairperson.

Hope to see you all at the Spring show

Stacy Angus
